EUCON 19.9.1 Release Notes

for Avid S4/S6, S3, Dock, Pro Tools | Control, and Artist Series Control Surfaces

This document describes the issues that are fixed in EUCON 19.9.1.

What’s New and Fixed in EUCON 19.9.1

Pro Tools | Control
• The Pro Tools® Control app is now compatible with iOS 13 when used on qualified iOS devices (GWSW-12971)

S4/S6
• It was possible for the MTM app and surface to struggle or fail to connect when loading a session (GWSW-13033)

All Systems:
• It was possible for excessive log files to accumulate (GWSW-12921)
